

# Making Magic!

1. Firstly, what is your spell going to achieve?

2. Now make a list of ingredients. Remember to make them as disgusting as possible!

3. Now, think about the method. How will you cook your potion?

4. Look at your list of ingredients and method. Can you think of any alliteration you could use here? E.g. lizard's leg.

5. Now write a draft of your poem.
